In preparation for the **Renewable EnergyTech**, we would like to highlight some important information necessary for your participation

INTERNATIONAL EXHIBITION FOR GREEN AND SMART ENERGY

13-15.3.2025

THESSALONIKI INTERNATIONAL EXHIBITION & CONGRESS CENTER

WORKING HOURS
THURSDAY - FRIDAY - SATURDAY:
10:00-19:00

1

Preparation stage

You can take over your space from the pavilion manager and carry out construction work from **08.03.2025** to **11.03.2025** and working hours 08:00-23:00 and on **12.03.2025** between 08:00-16:00. After 16:00 only work within the exhibitor's stand is allowed.

In case you exhibit a very large product, please inform the technical support department before transferring it to the exhibition area.

Technical Support Department/ Pavilion Managers:

CHRISTOS CHRYSOVELIDIS

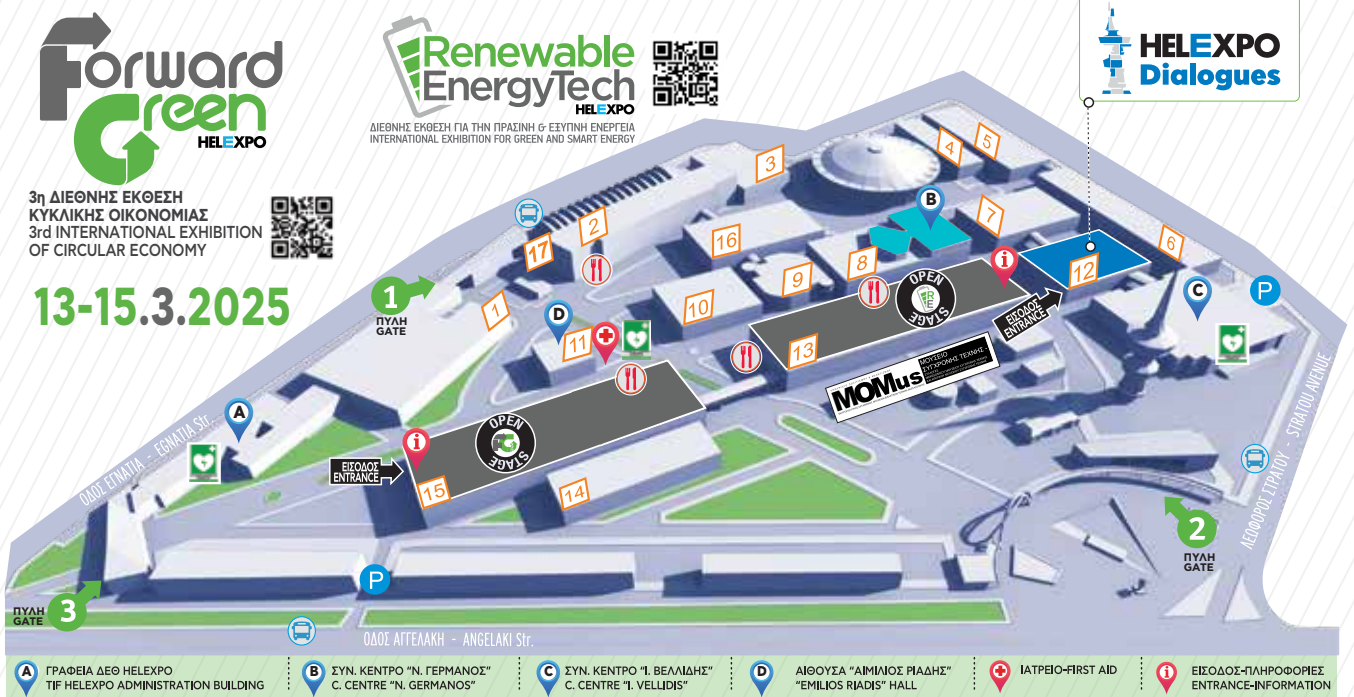

e: cc@helexpo.gr, T +30 2310 291534

• Supervisor Office Pavilion 13

T. +30 6946980879 - e: kchr@helexpo.gr

• Supervisor Office Pavilion 15

T. +30 6940458342 - e: pf@helexpo.gr

2 Access to the exhibition area platform

Log into the platform using the username and password sent to you via a personalized email by January 20.

In the Exhibitors Area platform, you can:

- Access important information about your participation and the exhibition (pavilion, stand)
- Print your entry badges
- Upload your logo for inclusion Renewable EnergyTech exhibitors catalog/site
- Confirm your company details for the Renewable EnergyTech exhibitors catalog/site

3 Badges

Print your entry cards (Badges) through the **"Exhibitors Area"** online platform.

A personalized email will be sent upon the completion and the signature of the participation form until the 20th of January. Please note that you will need to go to the **"Badges"** field to print your strictly personal cards.

Plastic holders for your Badges can be collected during the preparation days from the nearest manager's office in pavilions 15 and 13.

4 Event organization during the exhibition

Inside the exhibition spaces of pavilion 13, it will be special presentation space (open stage), with all the necessary audiovisual equipment, open to the visitors, which the exhibitors participating can utilize to present their company profiles or showcase their innovations. Through the online platform **"Exhibitors Area"** you can reserve your own 20 minute presentation in the available slots.

The presentations will be published in the website of Renewable EnergyTech and will be shared to the internet through the social media account of HELEXPO.

We would like to inform you that for all types of events (pavilion openings, conferences, presentations, etc.) you may organize during the Renewable EnergyTech , speakers and guests must have their personal exhibitor badge or pre-register on the exhibition's site or have an invitation.

5 Invitation tickets

You can access an online invitation through **"Exhibitors Area"** online platform in the **"Invitation"** field.

6

Technical issues equipment rental

For technical issues, equipment rental, ventilation, power, water supply, or anything related to the construction or setup of your stand, contact the contractor company:

EXPOWORK S.A

Exhibitions Service Department
T: (+30) 2310297572, 2310297564
orderstif@expowork.gr
